## ***Special Memphis Experience:***

**Port:** Memphis, TN

***With Transfer to the Memphis International Airport***

Experience the city that "The King" called home on a guided journey through Memphis! Put on your blue suede shoes and board the luxury river coach as it departs toward Memphis' heart and soul – Beale Street!

Oozing with the gritty feeling of the blues and rock `n` roll, Beale Street's musical history is alive in every store front lining the road, street band performing on the corner, and brick paving our way. A larger-than-life iconic brass statue of Elvis marks the starting point of the "Walking in Memphis" portion of this exclusive excursion. Here, we will experience the most

famous street in Memphis as our local guide leads us through the vibrant city he calls home. From blues to barbeque, Beale Street is a must for any visitor to Memphis!

The journey continues with Beale Street in our rearview and the home of "The King" himself ahead, Graceland! Enter through "The King's" front door where the presence of Elvis can still be felt within the walls as you walk through the same rooms as he did after a long day's performance. An interactive iPad audio tour will help guide us through each room, providing thoughtful narration by actor and Elvis enthusiast John Stamos, as well as personal commentary by Elvis' daughter, Lisa Marie.

At this musical mecca, discover the personal side of Elvis. See the famous Jungle Room, an homage to "The King's" love for Hawaii. Featuring green shagged carpets, a built-in rock waterfall, plastic plants, and lacquered wood furniture, the Jungle Room was Elvis's man-cave turned recording studio. Then view the office where Elvis' father Vernon managed his career, as well his living room, kitchen, TV room, and pool room. See the Trophy Building and Racquetball Building, newly-restored to how it looked in 1977. Then take a short stroll through the Meditation Garden, where the grave site of Elvis and his family are located. Pay your respects to "The King of Rock and Roll" and his contributions to American music and entertainment, knowing his legacy resonates throughout the world and spans multiple generations.

But the adventure doesn't end there! Your complete Elvis experience also includes exclusive exhibits with full access to the state-of-the-art Visitor Entertainment Complex, Elvis Presley Car Museum, Elvis: The Entertainer Career Showcase Museum, Elvis Discover Exhibits, and Elvis' two custom airplanes!

*Please note: Per Graceland's policy, cameras are allowed, but no flash photography is permitted. Also, video cameras may not be taken inside the mansion or inside any gift shops or attractions.*

***This excursion begins at the dock of the vessel and concludes at the Memphis International Airport.***
